~~282-X-5-06~~ Inactive License Status

~~(1) The expiration of a Regular license is September 30th of every odd year. Renewal of licensure is due on or before that date.~~

~~(2) A licensee may have a license placed in inactive status for a two-year licensure period by submitting a written request to the board and payment of the required inactive fee before the date of expiration of the license. The written request must be signed by the holder of the license or the holder's legal guardian.~~

~~(3) While the license in an inactive status, the licensee shall maintain their (RD) registered dietitian status with "The Commission on Dietetic Registration" and will be required to meet the continuing education requirements of 15 hours (during the two-year inactive period), but is not required to pay the renewal fee.~~

~~(4) If a licensee fails to meet the continuing education requirements as required by the Board, the license may not be withdrawn from inactive status until any cumulative deficiency is corrected or waived by the board for good cause shown.~~

~~(5) A license may be withdrawn from inactive status by written request of the holder, completion of a renewal application, compliance with continuing education requirements and payment of the current licensing fee.~~

~~(6) A licensee must be withdrawn from inactive status prior to re-employment or engaging in the dietetic/nutrition practice.~~

~~(7) If a inactive status licensee fails to renew their license prior to re-employment or engaging in the dietetic/nutrition practice, they will be held in violation of the Dietetic/Nutrition Practice of 1989.~~
