780-X-6-.05 Qualifying Experience -Certified General Real Property Appraiser. As of the date the application is filed with the Board, the equivalent of three thousand (3000) hours of appraisal experience or 300 points is necessary for approval of a license for the Certified General Real Property classification. Experience shall be recorded on the log contained in the application. The log must contain all appraisals the applicant has signed or is entitled to claim for experience credit, beginning with the most recent appraisals (up to and including the date the application is filed with the Board) and going back, up to 5 years, until the required number of experience points is documented. In evaluation of experience credit offered as qualifying experience under Code of Ala. 1975, §34-27A-11, the Board will take into consideration the following:

(a) Points or Hours Required. A total of 300 points or 3000 hours is required for general certification.

(b) Residential Experience Limited. No more than one hundred fifty points or 1500 hours shall be applied for credit toward a general certification. Experience for a dwelling (residential appraisal) will be awarded only if there is an interior and exterior inspection.

(c) At least thirty months experience. Three hundred points or three thousand hours obtained within at least thirty months shall be required for a general certification, of which at least one hundred fifty points or 1500 hours shall be on non-residential property. If the sample complies with USPAP the Board will consider that all of the experience submitted by applicant complies with USPAP. A determination by the Board that the sample does not comply with USPAP shall be presumptive that all of the appraisals submitted for experience credit do not comply with USPAP.
