810-11-2-.44 Falls and Decisions. **(REPEALED)**

(1) Both shoulders momentarily pinned to the mat shall constitute a fall; flying and rolling falls shall not count. By momentarily is meant, pinned for the referee's silent count of three (3) seconds. Conceding a fall or quitting because of receiving punishment via legitimate hold constitutes a fall.

(2) The referee shall slap on the back or the shoulder of a wrestler securing a fall so that the under arm man will not be strained by being held to long in a possibly painful position.

(3) A fall with any part of the body off the mat shall be left to the discretion of the referee. The contestants or their managers must have an understanding with the official prior to the match as to what is to be considered off the mat.

(4) The officials are instructed not to put their hands under the shoulders of a contestant unless it is absolutely necessary to determine a fall.

No contestants shall be permitted to grasp or hang on to the clothing, mats or ropes for support.
