(b) Medicare related claims for QMB recipients shall be reimbursed in accordance with the coverage determination made by Medicare. Medicare related claims for recipients not categorized as QMB recipients shall be paid only if the services are covered under the Medicaid program.

(c) Hospital outpatient claims are subject to Medicaid reimbursement methodology but are not subject to the outpatient limitation of three visits a calendar year.

(d) Medicare claims for rented durable medical equipment shall be considered for payment if the equipment is covered as a purchase item under the Medicaid Program. Rental payments and purchases on non-covered Medicaid items for QMB recipients shall also be considered for payment.

Claims paid by the Medicare contracted intermediary will be electronically forwarded to If Blue Cross and Blue Shield of Alabama is the Medicare carrier, it will forward a crossover claim for deductible and/or coinsurance to Medicaid's fiscal agent for payment of the Medicare cost-sharing charges. Claims denied by the Medicare intermediary are not forwarded to the Medicaid fiscal agent. If the carrier is any other company, the claim must be filed with the Medicaid fiscal agent by the provider. The third party insurance eChapter 20 of this Code contains additional health insurance information.

(a) Providers will complete the appropriate Medicare claim forms ensuring that the recipient's ~~thirteen (13)-digit~~ Medicaid ID number is on the form. The

completed claim shall be forwarded to an Alabama Medicare carrier for payment.

(b) If the provider's claim for service is rejected by the Medicare carrier as "Medicare non-covered service" but is a covered Medicaid service, a Medicaid claim form, completed in accordance with instructions in the Alabama Medicaid Provider Manual, with a copy of the Medicare rejection statement, should be sent to the Medicaid fiscal agent for payment. QMB-Only recipients are not entitled to Medicaid coverage for Medicare non-covered services.

(c) Providers in other states who render Medicare services to Alabama Medicare/Medicaid eligibles and QMB eligibles should file claims first with the Medicare carrier in the state where the service was performed.

Rule No. 560-X-1-18 Provider/Recipient Signature Requirements.

(1) Definitions

(a) Handwritten Signatures: A handwritten signature is a mark or sign by an individual on a document to signify knowledge, approval, acceptance or obligation. The responsibility and authorship related to the signature should be clearly defined in the record. The system should be secure, allowing sole usage or password protection for each user. Digital signatures are an electronic method of a written signature that is generated by special encrypted software that allows for sole

- 12) 'Authorized by: John Smith, M.D'
- 13) 'Digital Signature: John Smith, M.D'
- 14) 'Confirmed by' with provider's name
- 15) 'Closed by' with provider's name

- (2) In accordance with the Rehabilitation Act of 1973 in the case of an author with a physical disability that can provide proof to Medicaid of his/her inability to sign their signature due to their disability. By affixing the rubber stamp, the provider is certifying that they have reviewed the document.

(24) Provider Signatures on claims, enrollment applications, referral or prior authorization forms, and meaningful use attestation.

(a) ~~Claims, both paper and electronic:~~ By signing the Medicaid provider enrollment agreement, the provider agrees to keep any records necessary to disclose the extent of services the provider furnishes to recipients; to furnish Medicaid, the Secretary of HHS, or the State Medicaid fraud control unit such information and any information regarding payments claimed by the provider for furnishing services, upon request; to certify that the information on the claim is true, accurate, and complete; that the claim is unpaid; that the provider understands that payment of the claim will be from federal and state funds, and that any falsification, or concealment of a material fact may be prosecuted under federal and state laws. For paper claims, the individual provider or authorized representative must personally sign the claim form in the appropriate area or place his/her initials next to a typewritten or stamped signature.

The requirement of an original signature is waived for most pharmacy hardcopy prior authorization requests. A recipient signature is not required on individual claim forms. Recipient signatures are required on all pharmacy and Durable Medical Equipment ("DME") claims to ensure the recipient was offered appropriate counseling (if applicable) and to validate the billed and reimbursed service was rendered to the recipient. For pharmacy and DME items that have been delivered, the provider must ensure that the delivery service obtains the recipient's signature upon delivery. Exceptions to the recipient signature are listed below.

1. The recipient signature is not required when there is no personal recipient/provider contact as is usually the case for (e.g. laboratory or radiology services). This exception does not apply to pharmacy and/or DME claims.

2. Illiterate recipients may make their mark, for example, "X" witnessed by someone with their dated signature after the phrase "witnessed by."

3. Interested parties may sign claim forms for recipients who are not competent to sign because of age, mental, or physical impairment.

4. Home Health recipient signatures are obtained on the Home Health certification form which acknowledges services are medically necessary and approved for payment.

5. The recipient signature is not required when a home visit is made by a physician. The physician must provide documentation in the medical record that the services were rendered.

6. For services rendered in a licensed facility setting, other than the provider's office, the recipient's signature on file in the facility's record is acceptable.

7. Unless clinically contraindicated, the recipient will sign the treatment plan to document the recipient's participation in developing and/or revising the plan. If the recipient is under the age of 14 or adjudicated incompetent, the parent/foster parent/legal guardian must sign the treatment plan.

8. Treatment plan review, mental health consultation, pre-hospitalization screening, crisis intervention, family support, Assertive Community Treatment (ACT), Program for Assertive Community Treatment (PACT), and any non-face-to-face services that can be provided by telephone do not require recipient signatures when provided by a Rehabilitation Option Provider.

(b) When payment has been made on claims for which the recipient signature is not available and one of the above exceptions is not applicable, the funds paid to the provider covering this claim will be recovered.
