# 810-3-61-.02 (NEW RULE) Credits for Contributions to Scholarship Granting Organizations (SGOs).

- (1) Scope: Act 2013-64, as amended by Act 2013-265, provides for income tax credits to individuals and corporations making scholarship donations to SGOs. This rule prescribes procedures for making scholarship donations and claiming income tax credits.
  - (2) Credits will be limited to scholarship donations which are bona-fide gifts.
- (a) The donor may not receive anything of value from the SGO in return for the gift.
- (b) No relative of the donor may receive a scholarship from the SGO to which the donation was made.
- (c) A child, grandchild or sibling will be considered a relative, as will a child or grandchild of a sibling, parent or grand parent
- (3) Allowable scholarship donations must be in cash. They cannot be services, forgiveness of debt, barter or non-cash assets.
- (4) A donor must enter the donation into the Department's system for tracking scholarship donations and credits. The credits will be reserved on a first-come, first-served basis, subject to verification by the SGOs. A donor failing to enter the donation into the Department's system to reserve the amount of the credit may lose the right to claim the tax credit if the \$25 million of maximum available credits has been reached.
- (5) A donor may not claim an income tax deduction on the Alabama tax return for the same contribution for which a credit is allowed on the current year's tax return nor for which the credit is carried forward to a future tax year.
- (6) The allowable credit for a corporation is limited to 100% of the amount of its donation. The maximum allowable credit for an individual taxpayer is \$7,500.00 or 100% of his/her donation, whichever is less.
- (7) The actual credit used to offset a taxpayer's tax liability for a given tax year, is limited to 50% of the tax liability of the donor, or the amount of the allowable credit, whichever is less.
- (8) The allowable credit may be claimed only once. If the allowable credit exceeds 50% of the tax liability in the tax year the donation is made, the unused portion may be carried over for up to three years. Any unused allowable credit carried over from a prior year may be added to the allowable credit for the current year, and may be claimed for the current year, subject to the overall limitation of 50% of the tax liability of the donor.

(9) Credits may only be claimed by the donating individual or corporate entity, and may not be assigned or transferred to any other taxpayer. A taxpayer may not claim credit for a donation made by any other entity, including an entity taxed under subchapter S or subchapter K, of which the taxpayer is an owner, shareholder, partner or member.
