(a) Upon, as applicable, (1) the completion of construction and issuance of a certificate of completion; (2) the receipt of proof of the purchase of equipment; or (3) the inauguration of a new health service, the Certificate of Need issued for such project shall be vested in and continued in force and effect as a part of the health care facility and shall survive changes of ownership of the health care facility without further certificate of need approval by this agency.

(ab) Prior to becoming vested under subsection (a), a A certificate of need shall not be transferable, assignable, or convertible, other than between members of a parent-subsidary controlled corporate group as defined in Internal Revenue Code, 26 U.S.C. § 1563(a)(1), and shall be valid solely to the person and purpose named thereof, except to such other member of the controlled group, or by change of name or merger with another corporation to an entity under common ownership or control. As used in this subsection only, "ownership and control" means ownership, directly or through one or more affiliates, of 50 percent or more of the shares of stock entitled to vote for the election of directors, in the case of a corporation, or 50 percent or more of the voting equity interests in the case of any other type of legal entity, or status as a general partner in any partnership, or any other arrangement whereby an entity including, without limitation, any governmental entity, controls or has the right to control the selection of 50 percent or more of the board of directors, managing members, or equivalent governing body of a legal entity. An "affiliate" under the preceding sentence means any corporation, limited liability company, partnership, or other legal entity that directly or indirectly controls or is controlled by or is under common control with such entity. Any agreement entered into by an applicant, prior to the issuance of a certificate of need, to transfer ownership or control of such health care facility to another person after the certificate becomes vested shall be disclosed to SHPDA prior to a decision by the Certificate of Need Review Board to grant or deny such certificate.

(bc) The transfer of stock equity interests in, or change of names or merger of, a corporation any legal business entity which holds a Certificate of Need shall not constitute a transfer, assignment, or conversion of the Certificate of Need and shall not require SHPDA approval unless the transaction also involves implementing one or more of the new institutional health services or a new health care facility or health maintenance organization described in Sections 22-21-263(a)(2), (3) or (4), Code of Alabama, 1975, provided the corporation which holds the certificate shall notify SHPDA in writing of any change in name or merger.
