**CHAPTER 330-X-12
INTERIM PERMITS
Repealed**

- 330-X-12-.01 Requirements
- 330-X-12-.02 Issuance
- 330-X-12-.03 Land Surveyors not Eligible

330-X-12-.01 Requirements.

(1) An interim permit to practice as a professional engineer is granted to a person who is legally qualified to practice engineering in another jurisdiction, who meets Alabama's professional engineering licensure requirements, who has never had a license revoked or invalidated and who has never been convicted of a felony. A lapsed license is not considered invalidated. The comity applicant is automatically considered for an interim permit upon submitting an application for professional engineer licensure. There is no separate application form.

(2) If the Executive Director of the Board finds the application to be in order and the applicant clearly meets all requirements for licensure in Alabama, the request for interim permit will be processed.

(3) If the comity application contains anomalies, the Executive Director will refer the application to the Board Chair, or other board member if the board chair is unavailable, for approval.

(4) In the event an interim permit is disapproved, the applicant will be notified of the disapproval and the basis for the disapproval.

330-X-12-.02 Issuance.

(1) An interim permit will be effective until the next regular meeting of the Board after the interim permit has been granted at which time the applicant will be considered for licensure. If, in the opinion of the Board, the qualifications of the applicant are insufficient, the interim permit will be immediately terminated and the applicant will be notified.

(2) While practicing under an interim permit in this State, the holder thereof will affix to all plans and documents for use and execution in this State, the seal or stamp required in the jurisdiction in which he or she is currently licensed with the added notation: "Practicing in the State of Alabama under Interim Permit No. ."

(3) The Board reserves the right to extend the expiration date of an interim permit in the event additional information is required to render a final decision on the licensee's application.
