NOTICE OF INTENDED ACTION

AGENCY NAME: The Alabama Board of Hearing Instrument Dealers

RULE NO. & TITLE: 445-X-1-.02 Definitions
445-X-1-.03 Licensing and Administration
445-X-1-.04 Examination for Licensure
445-X-1-.05 Continuing Education
445-X-1-.06 Requirements for Businesses
445-X-1-.07 Prohibited Acts
445-X-1-.08 Investigations and Hearings

INTENDED ACTION: The Alabama Board of Hearing Instrument Dealers proposes to amend rule 445-X-1-.02 Definitions, 445-X-1-.03 Licensing and Administration, 445-X-1-.04 Examination for Licensure, 445-X-1-.05 Continuing Education, 445-X-1-.06 Requirements for Businesses, 445-X-1-.07 Prohibited Acts, and 445-X-1-.08 Investigations and Hearings

SUBSTANCE OF PROPOSED ACTION:

The proposed action of rule 445-X-1-.02 Definitions is to update the code to define the new definitions listed in Title 34-14, specifically defining an Apprentice, Direct Supervision, Indirect supervision and Hearing Aids which were either not defined earlier or required updating. This rule also changes all previous titles of dispensers, dealers and fitters to the current titles.

The proposed action of rule 445-X-1-.03 Licensing and Administration is to list all fees originally listed in Title 34, Chapter 14. The original law was written in 1975 and updated in 1991, 1994 and 2009. Fees charged to applicants for testing and annual licenses renewal were originally written into the legislation. Although initially adequate, the fees currently charged to the board to purchase standardized tests used for initial licensure and practical examinations exceed the amount we are allowed to charge individuals submitting applications for initial licensure or renewal. This rule establishes the rate for all fees allowed to be charged in Title 34-14. References were also made to a test that is no longer used. The Alabama Board originally wrote the licensure test for applicants. Neither a national or international standardized exam existed at that time. We, along with the majority of other states, have adopted and began using the International Studies for Hearing Instrument Science standardized test and practical for individuals submitting for initial licensure. Alabama adopted both for use in 2008. This change removes reference to the old test and correctly identifies the standards in the test currently used.

The proposed action of rule 445-X-1-.04 Examination for Licensure is to align the titles for Hearing Instrument Dealer, Dispenser and Fitter to the current title. Technical corrections and antiquated language used in the original code were updated.

The proposed action of rule 445-X-1-.05 Continuing Education is to align the titles for Hearing Instrument Dealer, Dispenser and Fitter to the current title. Technical corrections and antiquated language used in the original code were updated.

The proposed action of rule 445-X-1-.06 Requirements for Businesses is to align the titles for Hearing Instrument Dealer, Dispenser and Fitter to the current title. Technical corrections and antiquated language used in the original code were updated.

The proposed action of rule 445-X-1-.07 Prohibited Acts is to align the titles for Hearing Instrument Dealer, Dispenser and Fitter to the current title. Technical corrections and antiquated language used in the original code were updated.

The proposed action of rule 445-X-1-.08 Investigations and Hearings is to align the titles for Hearing Instrument Dealer, Dispenser and Fitter to the current title. Technical corrections and antiquated language used in the original code were updated.
