NOTICE OF INTENDED ACTION

AGENCY NAME:

Public Safety

RULE NO. & TITLE:

760-X-1-.16 Motor Carrier Safety and Hazardous Material Regulations

INTENDED ACTION:

This amendment sets forth the method by which a commercial vehicle operator can become certified in proper metal coil load securement.

SUBSTANCE OF PROPOSED ACTION:

Require the commercial vehicle operator to become certified in proper metal coil load securement; to retain fully-signed certificate in vehicle when hauling metal coils; and to provide a fully-signed copy of certificate to motor carrier for which he/she hauls metal coils.

TIME, PLACE, MANNER OF PRESENTING VIEWS:

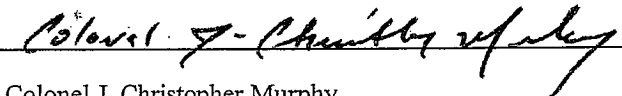

Any views on this proposed amendment shall be mailed to Zackery Burr, Department of Public Safety, P.O. Box 1511, Montgomery, Alabama 36012-1511 within 35 days of the date of publication of the substance of the proposed amendment in the Administrative Monthly.

FINAL DATE FOR COMMENT AND COMPLETION OF NOTICE:

June 4, 2009
