ROBERT J. BENTLEY  
GOVERNOR

N. GUNTER GUY, JR.  
COMMISSIONER

CURTIS JONES  
ASSISTANT COMMISSIONER

*March 15, 2011*

*Senator Jimmy W. Holley  
Alabama State House  
11 S. Union Street Room 732-A  
Montgomery, AL 36130*

*Dear Senator Holley:*

*In 2007 the Legislature granted an increase to recreational hunting and fishing licenses which included provisions to make future license increases using a CPI based adjustment. These provisions are set out in Code of Alabama §9-11-68 and 69 which are attached. As you know, the legislative intent was small incremental increases each year rather than a large increase every ten years or so.*

*On Saturday, March 12, 2011, the Conservation Advisory Board approved the recommendation of the prior Commissioner (see attached) to adjust hunting and fishing licenses by the CPI.*

*As set forth in §9-11-68 and 9-11-69, the approved recommendation is sent to the Chair of the Legislative Council for review.*

*Thank you for your favorable consideration and your strong support for conservation.*

*If you need further information, please advise.*

*Sincerely,*

**Section 9-11-68****Cost adjustments - Hunting and fishing licenses.**

Beginning with the license year October 1, 2010, and each license year thereafter, those license fees and issuance fees specified in Act 2007-418 shall be subject to a possible cost adjustment based on the following procedure: By the end of November of 2009, and each November thereafter, the Director of the Division of Wildlife and Freshwater Fisheries of the Department of Conservation and Natural Resources, with the approval of the Commissioner of the Department of Conservation and Natural Resources, may submit to the Chair of the Advisory Board of Conservation and Natural Resources, a recommendation of an increase in both the license fees and issuance fees for the licenses, based on the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) (All Items - U.S. City Average) maintained by the U.S. Department of Labor, Bureau of Labor Statistics, for the immediately preceding yearly period of October to October, rounded down to the nearest nickel. The recommendation shall be subject to the approval of the Advisory Board of Conservation and Natural Resources on or before the end of March of each year. If the increase is approved by the Advisory Board of Conservation and Natural Resources, the board through its secretary, by the end of March of each year, shall submit the board's recommendation to the Chair of the Legislative Council, for the Legislative Council's review and approval. In the event the recommendation is not disapproved by the Legislative Council by the end of April of each year, the recommendation of the board shall be deemed to be approved. In the event one or more years elapses during which there is no adjustment as provided for herein, the same procedure may be followed to obtain a net cumulative increase since the previous increase.

*(Act 2007-418, p. 874, §2.)*

**Section 9-11-69****Cost adjustments - Saltwater fishing licenses.**

Beginning with the license year October 1, 2010, and each license year thereafter, those license fees and issuance fees specified in Sections 9-11-53.1, 9-11-53.5, and 9-11-55.2, shall be subject to a cost adjustment based on the following procedure: By the end of November of 2009, and each November thereafter, the Director of the Division of Marine Resources of the Department of Conservation and Natural Resources, with the approval of the Commissioner of the Department of Conservation and Natural Resources, may submit to the Chair of the Advisory Board of Conservation and Natural Resources a recommendation of an increase in both the license fees and issuance fees for the licenses based on the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) (All Items - U.S. City Average) maintained by the U.S. Department of Labor, Bureau of Labor Statistics, for the immediately preceding yearly period of October to October, rounded down to the nearest nickel. Such recommendation shall be subject to the approval of the Advisory Board of Conservation and Natural Resources on or before the end of March of each year. If the increase is approved by the advisory board, the board through its secretary, by the end of March of each year, shall submit the board's recommendation to the Legislative Council for the Legislative Council's review and approval. In the event the recommendation is not approved by the Legislative Council by the end of April of each year, the recommendation of the board shall be deemed to be approved. In the event one or more years elapses during which there is no adjustment as provided for herein, the same procedure may be followed to obtain a net cumulative increase since the previous increase.

Re: CPI Cost Adjustment for Hunting and Fishing Licenses

Pursuant to Section 9-11-68 and Section 9-11-69 Code of Alabama, recommendation is hereby made to increase hunting and fishing license fees based on the percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) (All items - U. S. City Average) as maintained by the U. S. Department of Labor, Bureau of Labor Statistics between October 2008 and October 2010 rounded down to the nearest nickel. This increase will be effective 9/1/2011.
