**NOTICE OF INTENDED ACTION**

AGENCY NAME: Alabama Criminal Justice Information Center (ACJIC)

RULE NO. & TITLE: Chapter 265-x-2 and Appendices. Security and Confidentiality of Criminal Justice Information.

INTENDED ACTION: The Alabama Criminal Justice Information Center proposes to amend Chapter 265-x-2 and delete Appendix G.

SUBSTANCE OF PROPOSED ACTION: The above rule as amended would define the following terms as related to the sale of name-based background checks: "criminal history record," "Alabama Background Check System," "Alabama Background Check", "ABC system", "Alabama Background Check program", "ABC program," "ABC Report," and "Third Party User." The rule would require employers to receive waivers from all employees or prospective employees for whom a background check is run removing the exemption allowing critical infrastructure employers to conduct background checks without express permission, require the waiver to be submitted electronically, and provide for the check to include driver's license information.

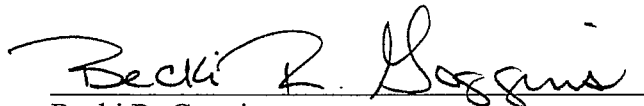

The rule would also specify ACJIC's responsibility for providing network connectivity to local law enforcement agencies and create a mechanism to allow agencies to connect multiple devices to the ACJIC network.
