**ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT
AIR DIVISION**

NOTICE OF INTENDED ACTION

AGENCY NAME: Alabama Department of Environmental Management

RULE NO. & TITLE: 335-3-20 Control Of Fuels (Repeal)

INTENDED ACTION: Revise Division 3 of the ADEM Administrative Code with the deletion of Chapter 335-3-20 Control of Fuels (Rules 335-3-20-.01/Definitions, 335-3-20-.02/Control of Fuels, and 335-3-20-.03/Recordkeeping, Reporting, and Testing).

SUBSTANCE OF PROPOSED ACTION:

Revisions to Chapter 335-3-20 are being proposed to sunset the special gasoline quality requirement in Jefferson and Shelby Counties. Federal standards for the quality of gasoline have largely superseded Alabama's standards. Therefore, ADEM is proposing to rescind the RVP requirement in Rules 335-3-20-.01, 335-3-20-.02, and 335-3-20-.03, because this special gasoline does very little to improve air quality and its increased price is an unnecessary burden on consumers.

TIME, PLACE, MANNER OF PRESENTING VIEWS:

Comments may be submitted in writing or orally at a public hearing to be held 10:00 a.m., December 7, 2011, in the ADEM Hearing Room, 1400 Coliseum Blvd., Montgomery, Alabama 36110.

FINAL DATE FOR COMMENT AND COMPLETION OF NOTICE: December 9, 2011

CONTACT PERSON AT AGENCY: Ronald W. Gore (334) 271-7861
